THE BOARD'S CORNER

Happy New Year!

As we prepare to begin our new semester in February 2017, it is important to remember that OLLI at UCI is basically a volunteer organization. Yes, we are affiliated with the Division of Continuing Education at UCI, but our amazing presenters give us their expertise on a volunteer basis. Aside from our invaluable help from our two part-time office managers, Karen McKenzie and Barb Barone, it is members who organize, plan, and run OLLI.

This means that members have the opportunity to help in so many capacities. Facilitating a class is an excellent way to understand and help OLLI, so is volunteering to be a part of one of the teams: office help, fundraising, greeting new members, and of course attending and sharing ideas at the various Curriculum Committees.

Look for announcements in KIT, the newsletter, and on the bulletin boards as to the various possibilities that are open to all members. We are more than members attending classes; we are a community who make our own plans and decisions. Please consider this aspect of OLLI, and thanks to the many who already have made such a commitment.

Pat Linehan, President, OLLI at UCI

The updated Donors list is posted on the OLLI bulletin board at the entrance of the Irvine Station-Onken classroom and on our blog. OLLI INFO

Enroll in Additional Classes for 2017 beginning Feb. 16th!

You will be able to register for additional classes if space is available beginning February 16th. Many of our classes do have additional space because of our new location. See your weekly KIT Mail for that week's classes with seats available. Call or go online; see page 3 in your catalog for the process. You can also

walk in!

Reminders for our New Location

- Please do not park in the 90-minute spots for a two-hour class. You could get a ticket! There is always plenty of parking on levels three and four of the parking structure, with nearby elevators.
- Please reserve the use of the single bathroom in the office for those with a disability. The station bathrooms are only a one-minute walk away!
- Let the office know if you have any problems accessing the classroom or if you have special hearing or vision needs. We may be able to help.

Note our four amazing Director's Voice Productions on Sundays at the UCI Campus:

Coriolanus (SE 62) Feb. 5
Clown Aliens (SE 63) March 12
I Dream of Chang and Eng (SE 64) April 30
Avenue Q (SE 65) June 4

We are sorry to announce that there will be no University Club Forum for the Spring term. The University Club will be undergoing a major renovation and the search for a new, temporary location for the Forum has been unsuccessful.

While we would have been happy to host it at our new location at the Irvine Station, an informal survey of speakers and participants revealed that we were too far away from campus for a lunchtime talk. We will let you know if and when the Forum will return. Our deepest thanks to Julie Hume and Jenny Duke for coordinating this excellent program of lunchtime speakers for many years.
