What's More Fun Than Bubblewrap?

Getting involved in OLLI Class Development

Not only is it stimulating and exciting, but you have great input into what classes are going to be offered. And you get to hang out with some terrific people, too! Come and sit in and observe the Curriculum Committees and feel free to offer up your suggestions, or just sit and observe at first.

The Course Development Committees usually meet monthly and you are most welcome. Arts and Humanities meets October 16, at 3 pm, Social Sciences meets at 12 noon on the 3rd Wednesday of each month. STEM (Science, Technology, Engineering, & Math) meets next on Sept 30th, at 10 AM. All meetings are in the Conference room at the back of the OLLI office. For more information feel free to contact me, Sue Lieberman, at foursue2@aol.com or ask any OLLI Board member.

Membership ID Cards

OLLI member ID cards are now available for pickup in the lobby.

Please wear your ID cards to all OLLI classes and events, so that we may scan you in to our automated system more quickly. If you forget your card, facilitators must manually check you in to the system. Please come early to your first class! Returning members, please re-use your badge holders and lanyards, if possible.

OLLI Extras

OLLI Extras allow our members to meet in more social settings. Members and their guests are invited! See page 3 of the Fall catalog for more information. New members welcome!
