IMPORTANT MESSAGE REGARDING OLLI CLASSES

**For the remainder of the Spring term all
OLLI classes have moved to an online
classroom environment.**

Good morning, OLLI members. We hope all of you are staying safe and healthy during this quarantine. Here at OLLI, we are doing all we can to provide you with some interesting courses, both live and in our video library.

To date, nearly 300 of you have taken advantage of our new **Remote Learning Center**. This is an online learning environment where you can watch live streaming of select class lectures from the comfort of your home using your personal computer, tablet or smart phone. Don't worry if you miss the live lecture because it will be recorded and available later to view in our **OLLI Video Library** along with nearly 400 recorded class lectures from the current and previous terms.

Stay Virtually Connected with your OLLI Friends on Facebook

Connecting socially is such an important part of the OLLI experience, and we've developed a way for you to "get together" with one another while we're all staying safe at home. A new private group has been launched on Facebook just for our member community! The group will serve as a virtual gathering place for you and fellow members to discuss a variety of topics – from tips to staying busy at home to discussions about new things you're learning in any subject area. We look forward to welcoming you to the group very soon! If you're not a Facebook user, you will need to create a Facebook account. [Click HERE to request to join our new OLLI group on Facebook.](#)

Join a live streaming class. Log in to the OLLI Remote Learning Center. [CLICK HERE](#)

Live Streamed April Classes

Live streaming lets you watch the class lectures in real time - at the same time it's happening! You can ask questions and interact with the Presenter. Live streamed classes are only available through the [OLLI Remote Learning Center](#). ***If a class is not listed, that means that this class has been postponed.***
