IMPORTANT MESSAGE REGARDING OLLI CLASSES

As news of the Novel Coronavirus (COVID-19) continues to evolve, OLLI at UCI is doing everything possible to protect the health and safety of our members, presenters and staff, while providing you with remote content when possible. We are successfully transitioning select classes to a remote learning experience through our new **OLLI Remote Learning Center!**

The new **OLLI Remote Learning Center** provides you with an online learning environment where you can watch live streaming of select class lectures from the comfort of your home using your personal computer, tablet or smart phone. Don't worry if you miss the live lecture because it will be recorded and available later to view in our **OLLI Video Library** along with nearly 400 pre-recorded class lectures from the current and previous terms.
