We all want to communicate clearly and effectively, but we can't rely on Microsoft Word to be our copy editor. This course addresses the common grammatical and usage errors not covered in 2018's Part 1 or 2019's Part 2 - errors that often lead to comical, embarrassing and sometimes disastrous results. The sessions will include capitalization, the subjunctive mood, comparatives and superlatives, linking verbs vs. action verbs, and more. Audio-visual aids, wordplay and humor ensure that snoozing is not an option. The course does not require prior Part 1 or Part 2 attendance.

**Presenter/Developer:** Steve Weinstein, B.A. in English, University of Pittsburgh; and author of the book, *Spell Check Won't Save You!*
