You can tell we are serious about these trainings and practice.

Training will be done large group. We had 22 today, January 9, 2023. Thank you to those that trained. Marc Nussbaum did a superb job training us and explained some of the nuisances.

Practice will be done in groups of 2. Why you ask? One person will read the steps the other will implement the step. Then they will switch. Practice as many times and days as you like.

Members who want to volunteer to become facilitators, (help check people in and set up the room...), have 2 dates for training. January 26- 11:30 – 12:30 and February 6- 11:00-12:00.

Volunteers are the key to OLLI's success. Without you volunteering, OLLI will disappear.

Please send Carolyn Brothers, cbdancer@aol.com, an email stating Training or Practice or both with dates and time you would like. This way, we won't have overlap and Marc can decide what time works best for training and then practice.

Thank you, volunteers. Like all the other information we have been learning, it is easy after you do it for awhile.

WHYS THINGS HAPPEN (Session 3 of 4)

**Tuesday, January 24
10:00 AM - 12:00 PM**

**Instructor:
Dr. Edgar Moran,
Professor of Medicine,
Emeritus, UCI**

From Dr. Moran:

Why Things Happen? An Incursion into our Lifelong Questions.

The question “Why?” is one of the first questions we ask seeking an explanation to events and phenomena occurring around us.

Several “Why’s” will be discussed in a new course, aimed at an audience interested in searching and acquiring answers.

We plan on answering some “why’s” in the following areas of our lives:

- Why’s in biology and medicine
- Why’s in our economy life
- Why’s on political current events
- Why’s in the World.

The intention of this course is to inquire into the causes of issues of major interest and find answers to the question “Why?”

I wish to develop our understanding, and to acquire further interest through discussions and study. If necessary, I will provide some of the necessary illustration and documentation.
