Response Team, David Souleles:

Face coverings will continue to be recommended indoors, but not required, regardless of vaccination status consistent with current [California Department of Public Health \(CDPH\)](#) guidance on the use of face masks in California. Therefore, individuals should feel free to continue to wear face coverings if they desire.

While the indoor face covering requirement is being lifted, the campus will maintain a number of our prevention and surveillance efforts to help control the spread of COVID-19.

- **OLLI at UCI will continue to provide face coverings to those that request one.**
