CURRENT ISSUES FORM

Thursday, June 15
1:30 PM - 3:30 PM

Discussion Leaders:
Bob Greenberg,
Brad Gilbert, Mel Roth, Mike
Schlesinger, Katherine Jones,
Jaime Schvasartzman, and
Yasmin Vali.

Current Issues class is a discussion group where we explore timely topics with multiple perspectives and ideas. A committee of members chooses the topics and presents issues on a rotating basis, giving background on an impartial basis.

Our first hour will discuss Guns In America, where Brad Gilbert will provide insights on what the data shows on this hot issue.

We'll then discuss the following questions:

1. Why do you think we're having more mass shootings now?
2. The data doesn't support banning AR-15's, but should we do this anyway?
3. Given the statistics we've covered, what laws do you think could or should actually be passed?
4. What do you think should be done about school shootings?

The second hour will be what we call "Potpourri" where there is no presentation, just open discussion.

The committee has suggested the following topics:

1. What do you think about the debt ceiling issue?
2. Is Affirmative Action still important or needed? If so, why?
3. How does where people get their news affect their views on politics and world events?

We look forward to your ideas and participation!
