Summer 2023

Monday, July 17, 2023

Greetings OLLI Members

We had a wonderful start to our Summer 2023 Session! Read our Fantastic Feedback (below) to hear what members are saying about our first summer class, Hearing Loss and Aging! If you missed the lecture or would like to watch it again, please log on to your [OLLI Remote Learning Center \(ORLC\)](#) account. Recordings are uploaded to the ORLC within 5-10 business days.

Please note: There has been a change to **SE 4: Motion Picture Pioneers: Will Rogers from Movies to Medicine, scheduled for Thursday, July 20th.** Our instructor is unable to share this lecture, so our wonderfully creative OLLI volunteer Summer Course Developer, Jessie Tromberg, has graciously offered to host an **OLLI special viewing of the 1941 classic film, Citizen Kane** on OLLI's large screen, written by Motion Picture Pioneer, Herman Mankiewicz and Orson Wells. Frequently called the greatest film ever made and Time Magazine's, *All-Time 100 Movies*. **Coffee and tea will be available and an extra half hour has been added for discussion following the movie. This is a great opportunity to bring a friend for a one time guest pass!**

Finally, there's still time to register for **SE9: The Hammer Museum** bus trip! For more information or to register, click [here](#). Non-members are welcome to join, so invite a friend or two or three!

We look forward to seeing you all in the classroom or online for this week's **SE3: The Witches and Witchcraft of 16th and 17th Century England: Did the Hysteria Affect the Pilgrims by Bringing It to America?** We're excited to welcome Professor Helen Brooke, MBA graduate of the University of Durham, who will share this lecture from her classroom in the UK! Join us in the OLLI classroom or via Zoom on the **ORLC** on Tuesday, July 18 from 10:00

AM - 12:00 PM.

Stay Curious!

Warmly,

OLLI at UCI

The date will be August 5, 2023 starting at 2:00 PM at the Masonic Lodge, 3610 Locust Ave., Long Beach, 90807. Marketing Outreach opportunities are available.

The Fall 2023 semester will be the focal point of a massive membership drive by OLLI at UCI. We are tasked with increasing our membership from today's 422 to a minimum of 500 no later than June 2024. We are planning to have a new major advertising campaign to reach out to the community. We will have ads in the Irvine Senior Connection and the Answers Resource Guide for the Council on Aging. We have produced flyers which target UCI retirees, emeriti, and University Hills residents. In addition, we will be promoting OLLI at the Irvine Senior Expo on Friday, August 25. Many of you have been helpful in the past, distributing

catalogs around Orange County and manning the booths at Senior Fairs. We need you now!

If you are interested in helping OLLI in any outreach capacity, please let the OLLI office know by emailing us at: olli@uci.edu.

We'll be meeting mid-August to solidify our plans.

Our UCI chapter of OLLI has been invited to submit a capacity-building grant application for \$25,000 from the Osher Foundation. If approved, this money would be spent on advertising, both on social media and print. **We are actively searching for members who may have experience in grant writing**, regardless of whether it is for non-profit or for-profit entities. The grant application needs to be completed by July 31.

Please contact the OLLI office at olli@uci.edu if you would like to help out with our Marketing Outreach opportunities!
